I answered your office action of 02/17/2005 by sending  
you – on April 28<sup>th</sup> - my ammendet claims, by certified  
mail, return receipt requested.

But, since I didn't get a confirmation of its delivery, I  
wonder if you got my mail.

Due to personal hardships, I am living now temporarily in  
Buenos Aires, Argentina, from where its difficult to  
communicate with the USPTO.

Please advise. Thanks !!
